

## New Test with **EASYBALANCE** Shows Savings of up to 33% in Tyre Cost per km !

An independent test has been carried out by renowned tyre specialist Michael Immler in Immelstadt, Allgäu, Germany to compare tyre wear. Unbalanced tyres were tested alongside tyres balanced using EASYBALANCE.

The test was carried out using 2-axle tractor units, with 3-axle trailers in commercial traffic in the Munich area. Tread depth measurements were taken continuously over the 1-year test period.

**The Final Result was Staggering; Savings in Tyre Cost / km of up to 33% on the Test Vehicles!**

### Why **EASYBALANCE** ?

- EASYBALANCE is the only balancing compound that is approved by DEKRA and...
- will not damage the inner liner
- is not sensitive to moisture; does not need dried air or special valve cores
- is environmentally friendly

Easy and fast application during tyre fitting. One balancing for the whole tyre's lifetime, with better precision than lead-weight balancing. Tyre wear is minimised, as is wear on suspension, chassis, wheel bearings, etc.

**All truck, trailer and bus tyres should be balanced, not just front tyres!**

### Test Results: Test carried out by renowned tyre specialist Michael Immler of Immelstadt, Germany

Results After 52459 km

	Test Start	Without EASYBALANCE	With EASYBALANCE	
	Tread depth:	Tread depth:	Tread depth:	Tyre Wear Savings:
Steer axle:	14,3 mm	3,6 mm	6,4 mm	26%
Drive axle, inner:	21,6 mm	3,8 mm	7,4 mm	21%
Drive axle, outer:	21,5 mm	4,2 mm	7,5 mm	19%
Trailer axle 1:	17,2 mm	8,9 mm	11,2 mm	28%
Trailer axle 2:	17,3 mm	10,6 mm	12,8 mm	33%
Trailer axle 3:	17,1 mm	2,3 mm	6,3 mm	27%

### Average Tyre Wear Savings:

**Steer axle: 26% - Drive axle: 20% - Trailer axles: 29%**

**Conducted Mar - Nov 2013, on IVECO Stralis 450 tractor unit, with Meiler tipping trailer, Gross Weight 30 tonnes**

Tyres:  
 Steer axle: 385/65R22,5 Michelin X Multi  
 Drive axle: 315/80R22,5 Michelin XDY3  
 Trailer axle 1: 385/65R22,5 Michelin XTE3  
 Trailer axle 2: 385/65R22,5 Michelin XZY3  
 Trailer axle 3: 385/65R22,5 Michelin XTE3
